PREPARING FOR OUR DECADE

We stand on the brink of a new horizon, our decade of the 70's. We have before us harmony or strife, prosperity or poverty, war or peace. Within these ten short years we will become local, national, and even world leaders. Such a challenge imposes the responsibility of preparation.

To prepare to lead this world toward peace, harmony, and prosperity, and away from strife and prejudice, we attend Marlin High School. Yet, the efforts of our teachers to teach become void without individual desire to learn. The student must learn all he can while he can, because, in the end, all the solutions to all the problems of the world come down to the individual. Whether the individual is able to cope with these problems or not will depend upon his preparation—now.

DEDICATION PAGE

In carrying out the theme of this year's annual, the 1970 Viesca staff has chosen to dedicate this book to Mrs. Frances Luther, a teacher of senior English, who most certainly is preparing the young adults of Marlin High for this coming decade.

Mrs. Luther emphasizes that the quality of the education of a person is often judged by the manner in which he speaks and writes. To achieve this a person must have a good background in the use of his language. Also, he must learn to appreciate the literary works of those greater writers and speakers who have gone before him in order to write and speak well himself. Mrs. Luther has succeeded in teaching her students these things. Many students have received from her their final polishing before stepping into the future.

STUDENT LIFE

During the summer months the students of M.H.S. go their various ways on vacations, to jobs, or just take it easy.

No matter how you spent the summer, the experiences you went through, the way you reacted in various situations, and your attitude toward other people all affected your personality and helped prepare you for future situations. Did you react wisely or foolishly? Kindly or with hostility?

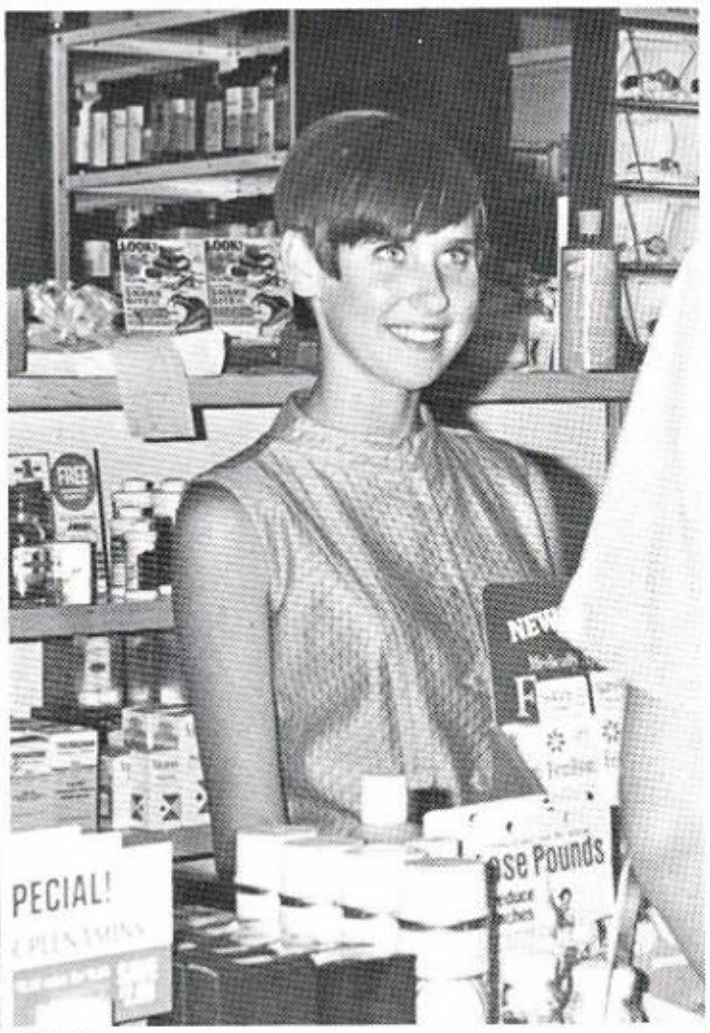
As you face the future, you should remember that you are forming the attitude and habits that will follow you the rest of your life. On the basis of what you have done, are you ready to face the future? Are you prepared for our decade?

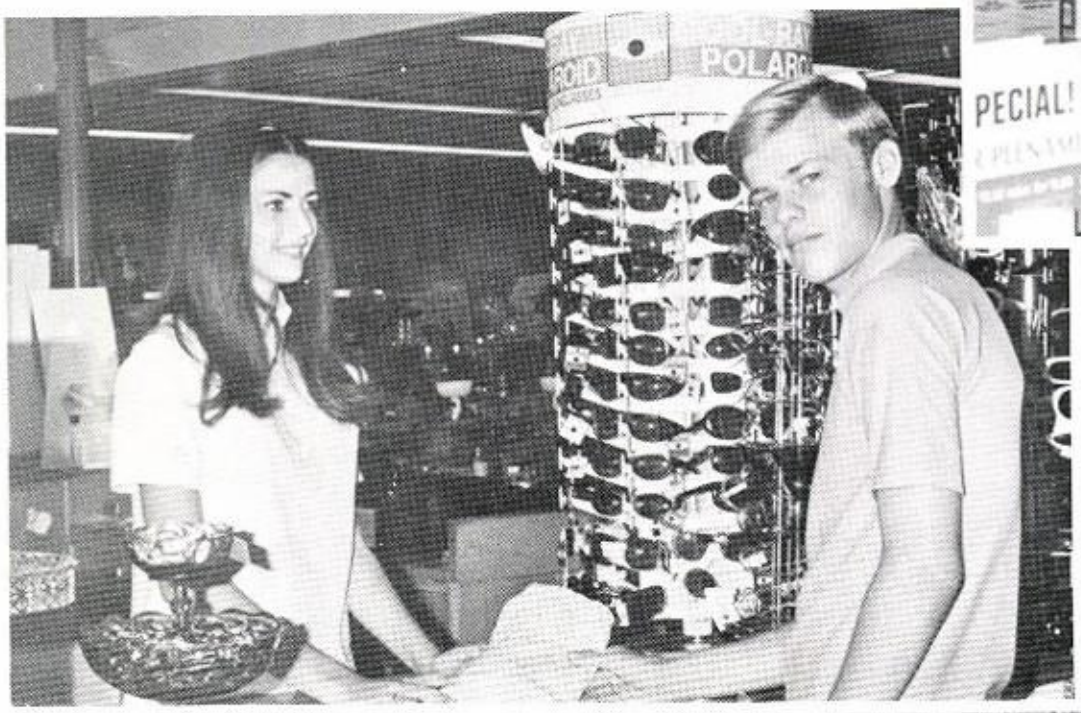
SUMMER JOBS

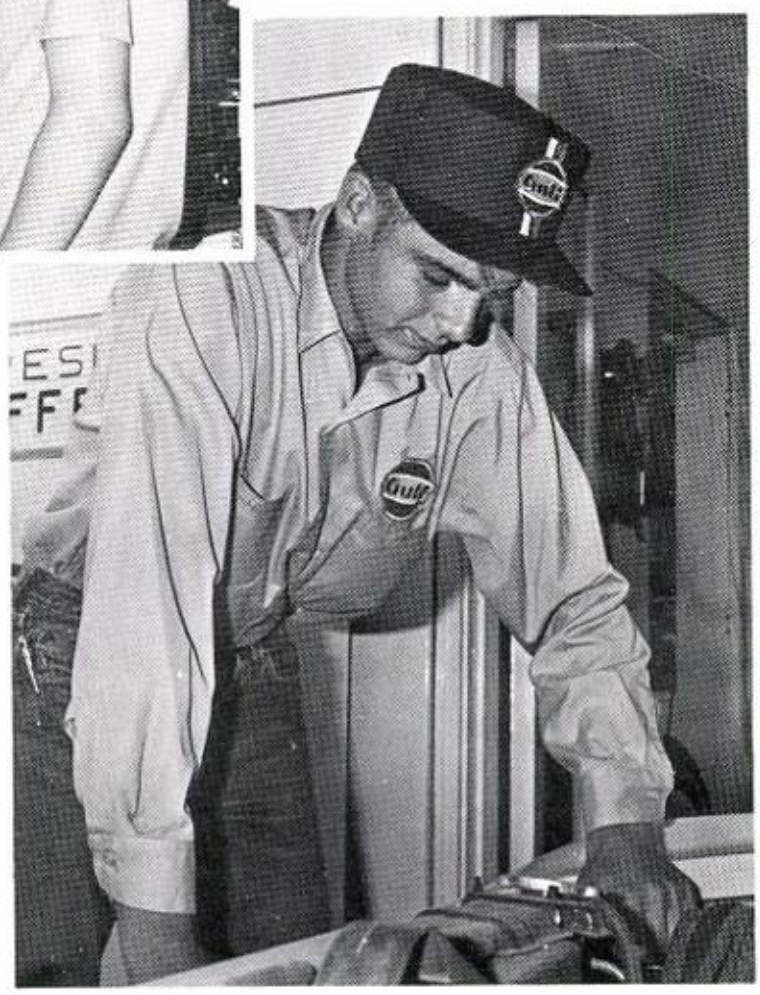
When the doors of M.H.S. are closed in May, the heads of many students are turned toward summer jobs at the various places of business in and around Marlin.

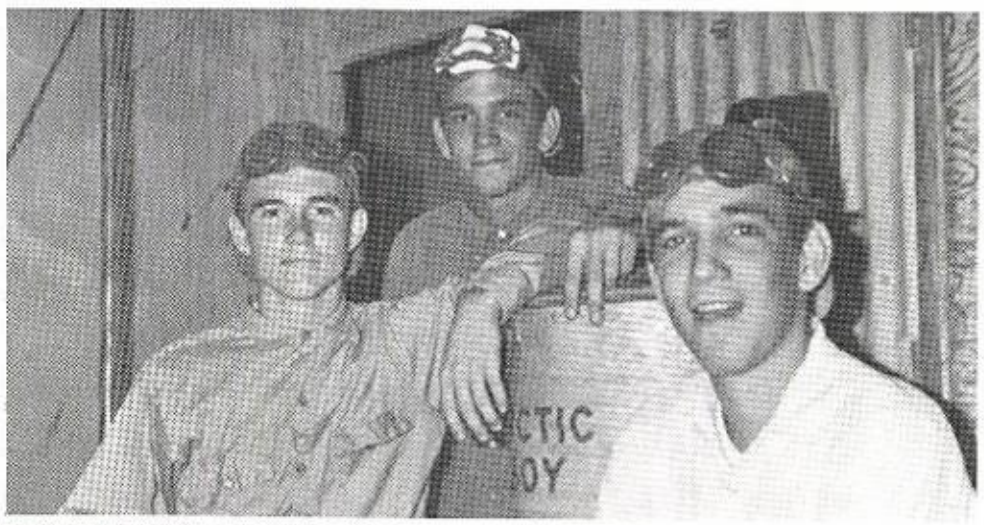
These young industrialists work diligently to gain a little money and a lot of valuable experience to help them "prepare for their decade."

Many of these eager beavers continue to hold their jobs throughout the following school year by participating in the I.C.T. and D.E. programs.



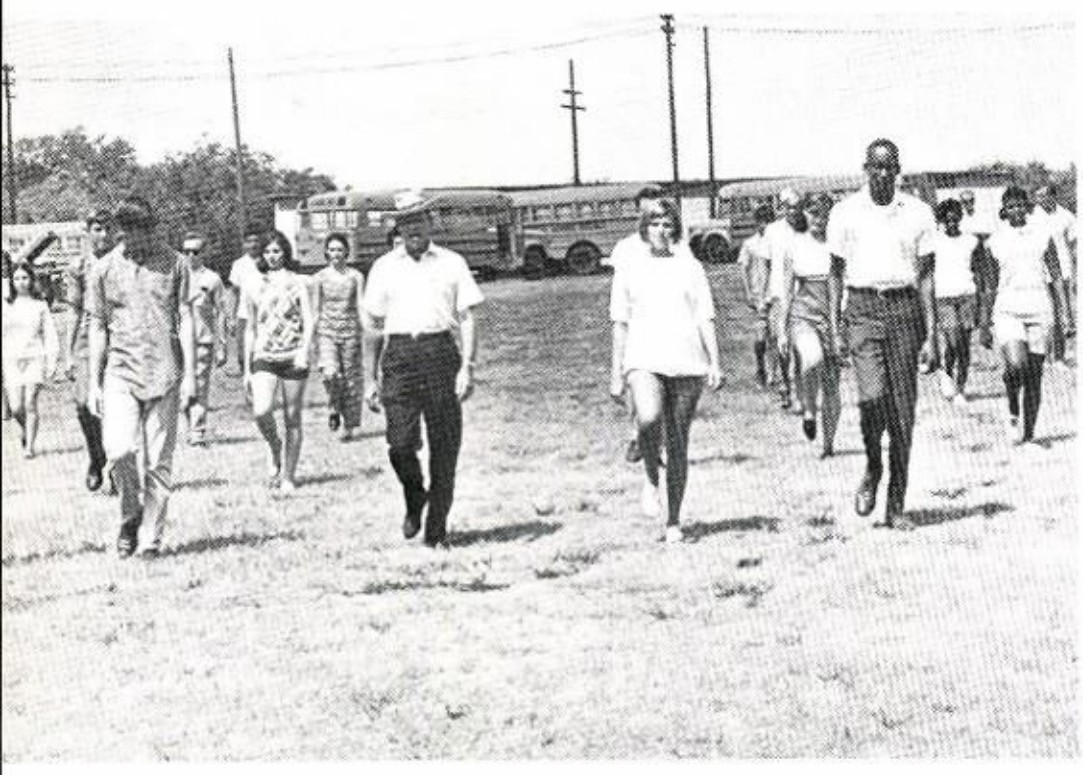






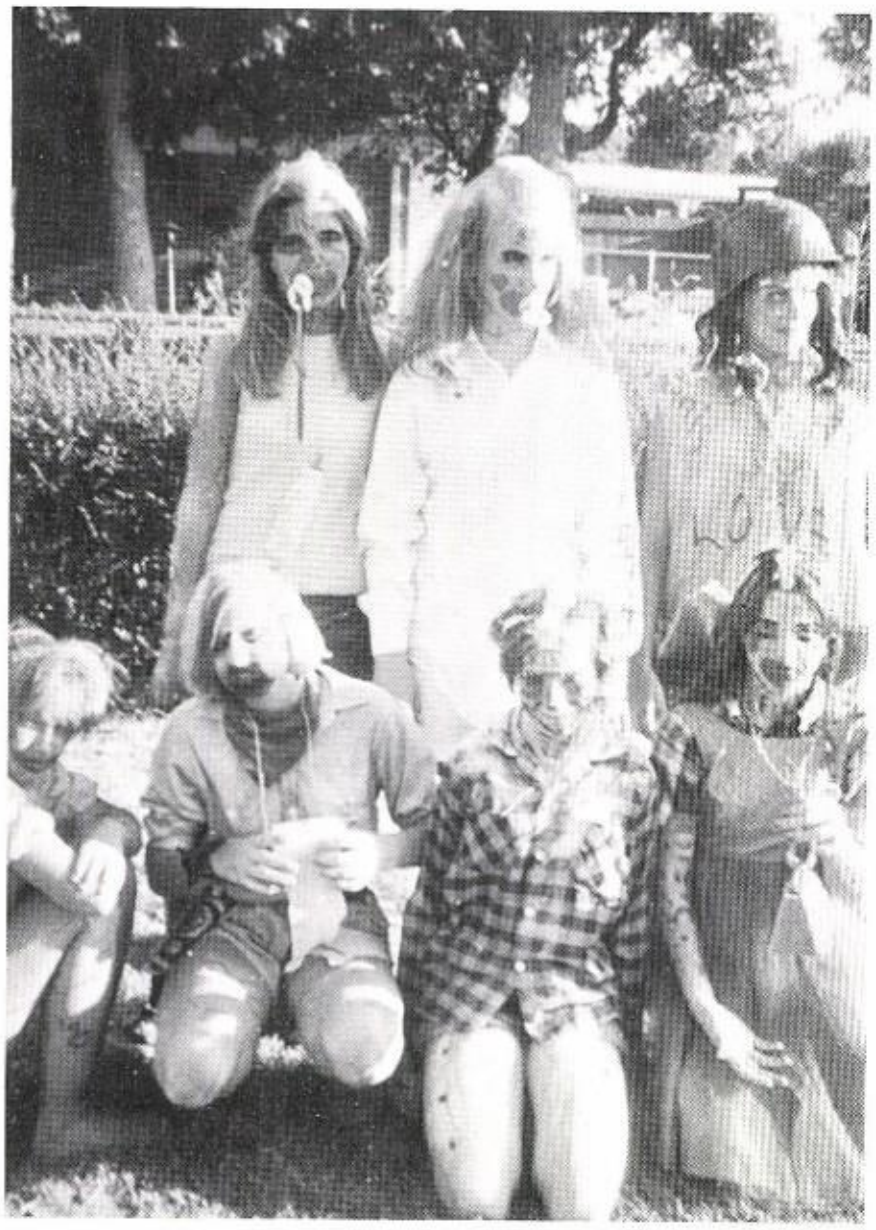
SUMMER BAND

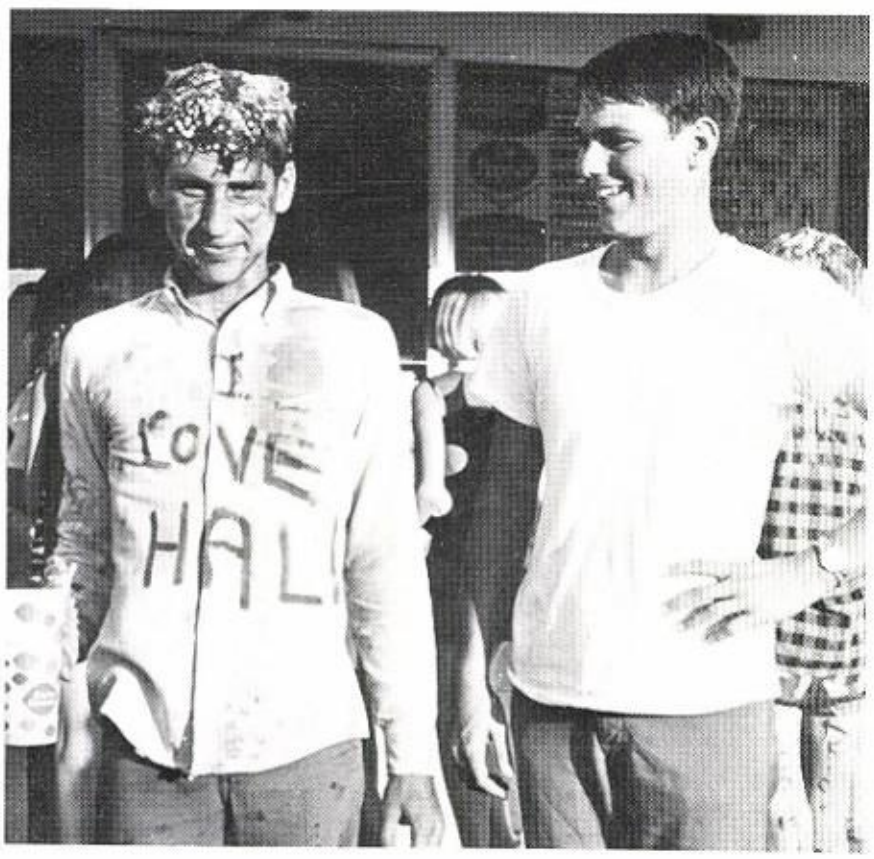
Having a good band involves hard work and long hours. M.H.S. has one of the best bands in Central Texas because of the early preparation for the coming school year which takes place during the summer. Being prepared builds confidence, and confidence builds better musicians.



THE FISH

Every body, at one time or another, has to go through a stage of life known as "fish". This is a very important stage in the preparation of a high school student. A student's reaction to his initiation can either make friends or enemies and can influence his whole first year of high school.





BACK TO

The 69-70 school year began with a spirit appropriate for the year that launches us into our exciting new decade. School opened unusually early, August 25, and the students

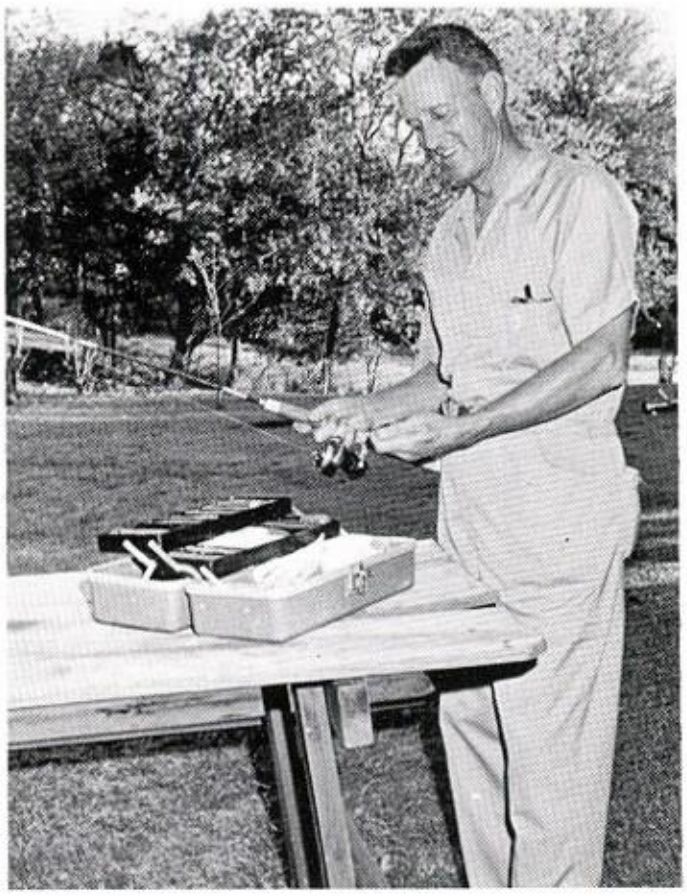
FACULTY

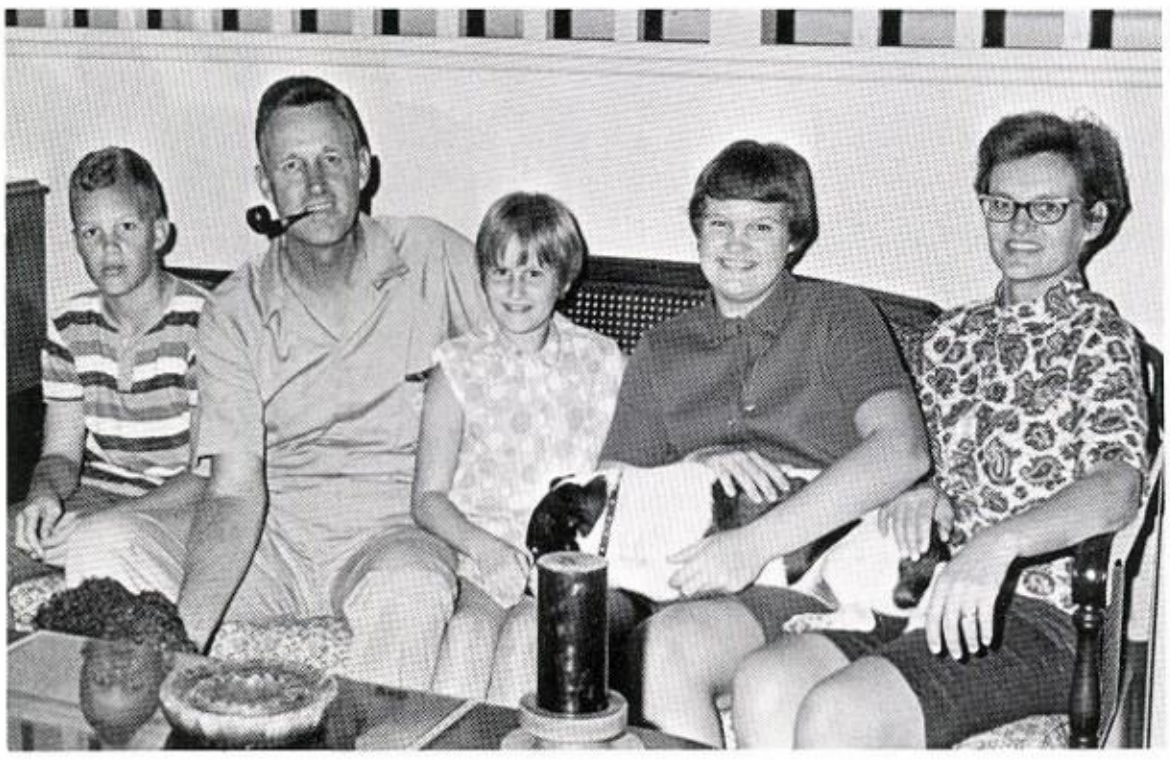
School would not be possible without teachers, aids, and administrators. These people work hard, not only to prepare us for college or jobs, but also to instill in us the will to learn.

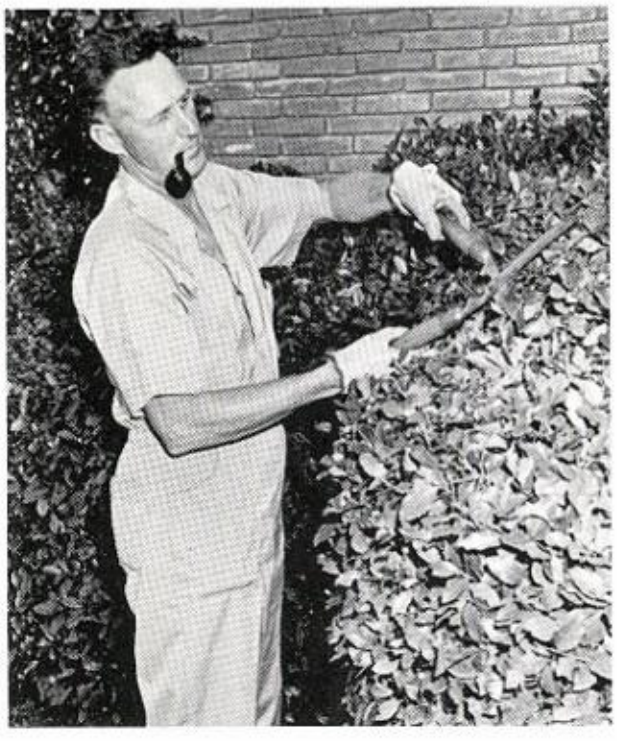
When people such as these make sacrifices to teach us what they believe we need to know in order to be successful in life, they deserve respect and common courtesy. We, as students, have the responsibility to help them teach us by listening attentively in class and giving them our best at all times. If we give our best, they will do their best to prepare us for our decade.

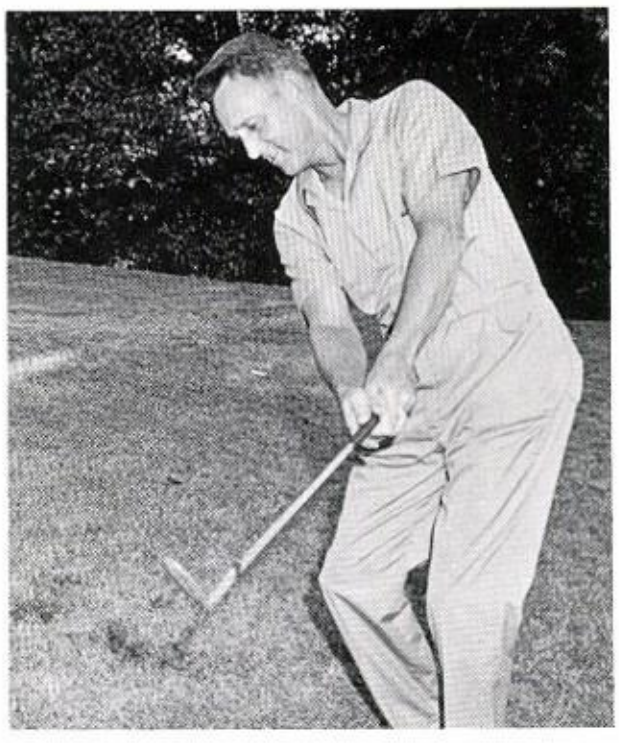
The administration creates the policies which direct us toward more fruitful lives.

Superintendent Sam Gray









The rewarding use of our leisure time is exemplified in the activities of our leaders.

SPORTS

Starting now and continuing into the future, more and more jobs will be sedentary. They will be jobs that require mental exertion, but very little physical labor: As time goes on, physical fitness will become a vital part in the quality and production limits which can be reached by individuals. If a person is physically fit, he is able to produce at a higher level of quality than a person out of shape.

Sports in high school help to prepare a person for his future by emphasizing a sharp mind within a highly skilled body. Sports teach self-discipline and mental toughness which are two of the most important lessons a person can learn. The type of character a person has can often be found in his sports activities, and by being in sports a person helps to prepare himself for his future.

NON-DISTRICT GAMES

Marlin vs West

For the first time in close to a decade, a Marlin team defeated the Trojans in West. The Dogs scored on runs from Tommy Konz of 3 and 4 yards out, and a pass from Konz to Kalmbach netted another. Alfred Davis rounded out the scoring for the Dogs with a 12-yard jaunt into paydirt. Final score Marlin 27-West 8.

Marlin vs Hearne

Marlin lost a tough game to the "big-play" Hearne Eagles 22 to 0. Hearne put together 2 long pass plays and one interception to earn their points. Lawrence Diles was the mainstay for the Marlin cast with good play also coming from Kirk, Blocker, and Durbin.

Marlin vs Rosebud

The Marlin Bulldogs started their 1969 football season by drubbing Rosebud 7-0. For the Falls County Championship Tommy Konz kicked a 37-yd field in the 3rd period and passed 47 yds to end Larry Kalmbach for the final score in the fourth quarter.

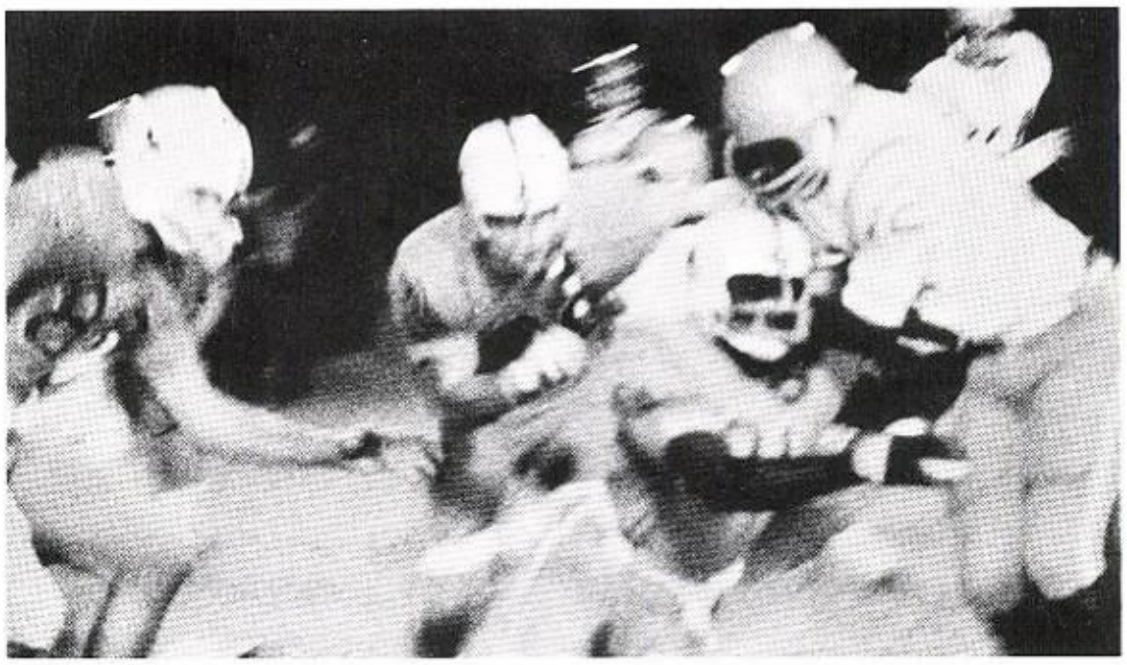
Marlin vs Gatesville

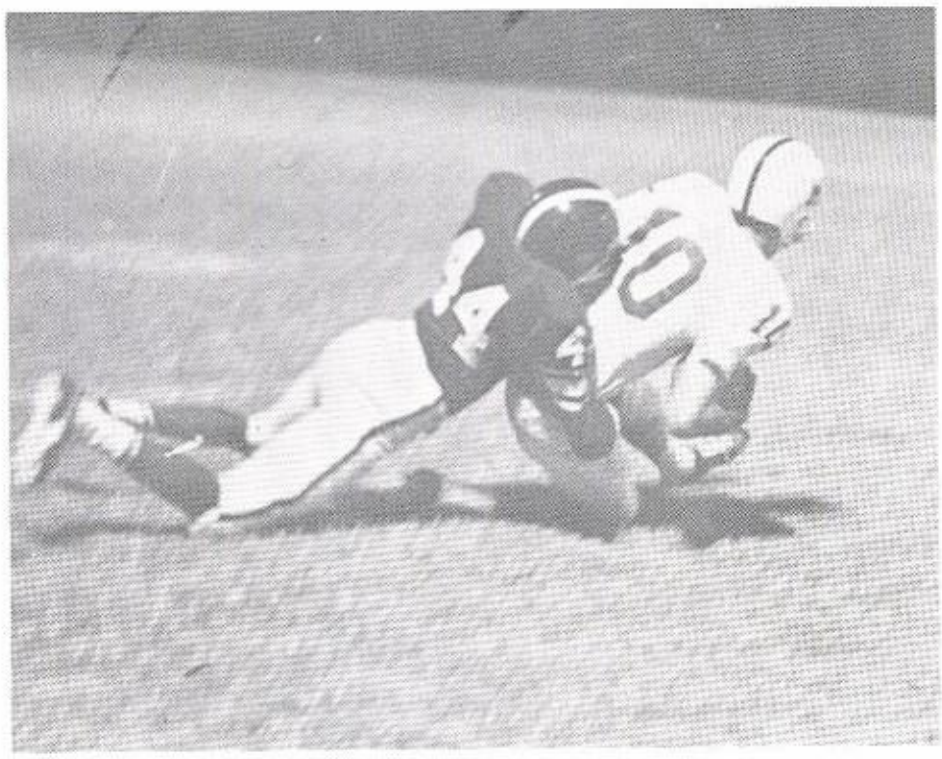
Gatesville spoiled the Bulldogs home debut by squealing past the Canines 7-6 in a hard-hitting contest. Tommy Konz ran 95 yds for the only T.D. for the Dogs. Gatesville scored later in the 3rd quarter and kicked the extra points which proved to be clincher. Putting in good performances for Marlin were Blocker, Fillip, and Konz.

DISTRICT GAMES

Marlin vs La Vega

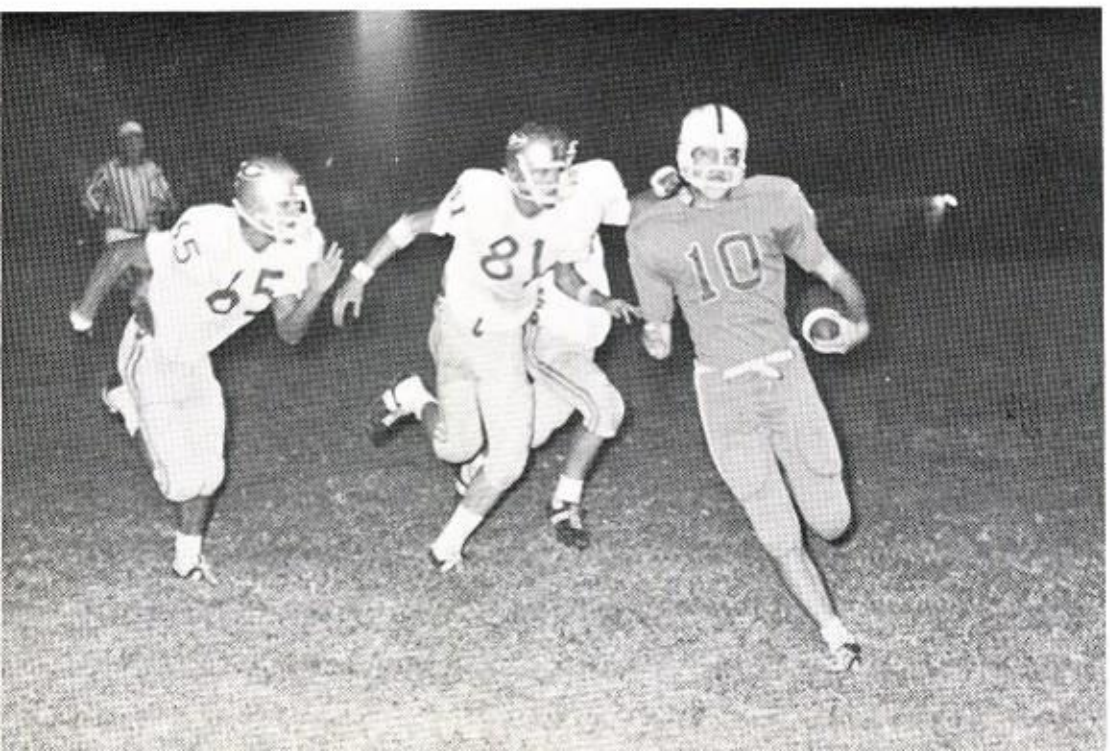
The Marlin Bulldogs opened the 8-AAA campaign with a well-deserved 14 to 6 win over the La Vega Pirates. After a scoreless first half, Tommy Konz hit end Chuck King on a 23 yd. touchdown pass to start the scoring. Later, after Lawrence Diles intercepted a pass which set the Dogs on the Pirate 4-yd. line, Konz snuck in for another Bulldog T.D. He added both extra points. La Vega scored later in the game on the Bulldog defense which played outstanding all night.





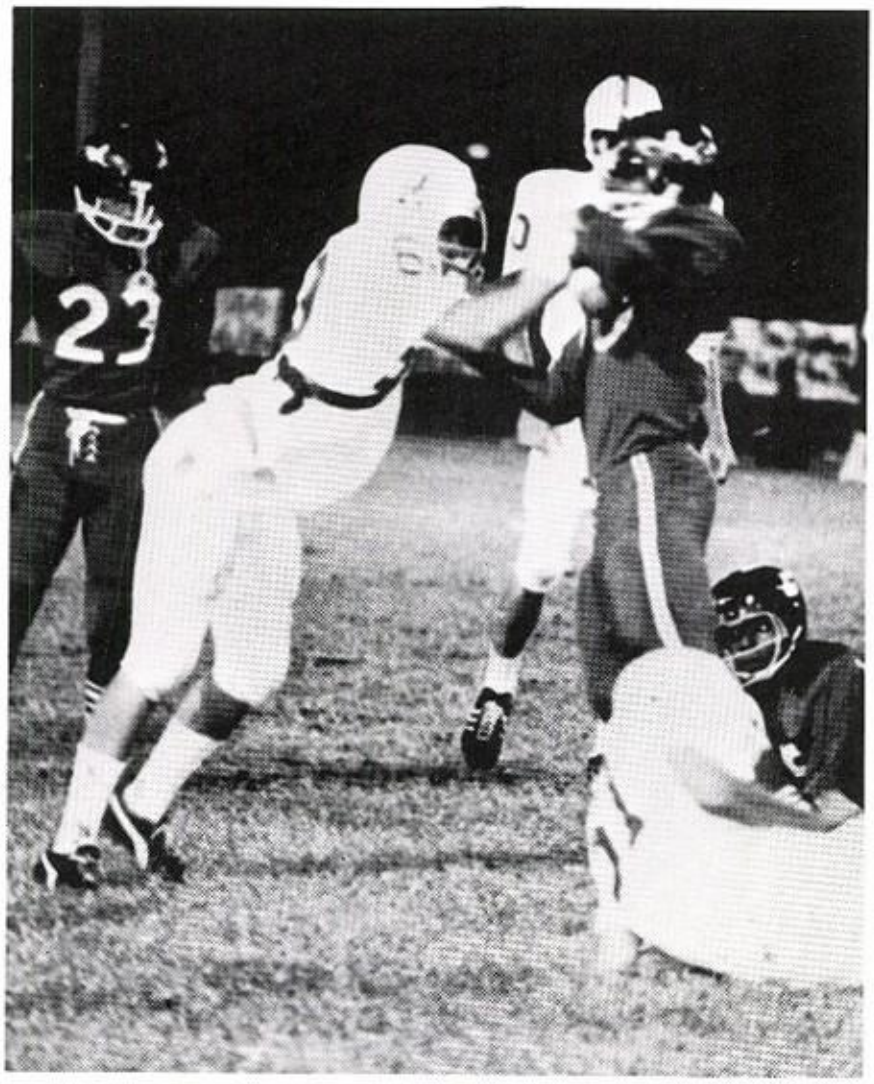
Marlin vs Moore

The Bulldogs turned in a spectacular performance against the Moore Lions and came back from Waco with a convincing 34 to 14 victory. T.D.s for Marlin were made by Doyle Ethridge, Alfred Davis, Tommy Konz and Larry Kalmbach. Marlin's defense was savage with defenders such as Chuck King, Steve Fillip, Steve Durbin, Lawrence Diles, Raymond Blocker, and Ernest Kirk roaming the field.



Marlin vs Corsicana

The Bulldogs met their first defeat of 1969 in district 8-AAA when the Corsicana Tigers edged the Dogs 25-16. Trailing 14 to 0, Alfred Davis, claimed a 71 yd. drive with a 2 yd. T.D. blast. A Konz to King pass added the PAT. The Dogs scored again in the fourth quarter when Konz churned four yards to paydirt and the pass to King again for the PAT. The Dogs couldn't quite catch the elusive Tigers, and the game ended when the Dogs were on the short end.

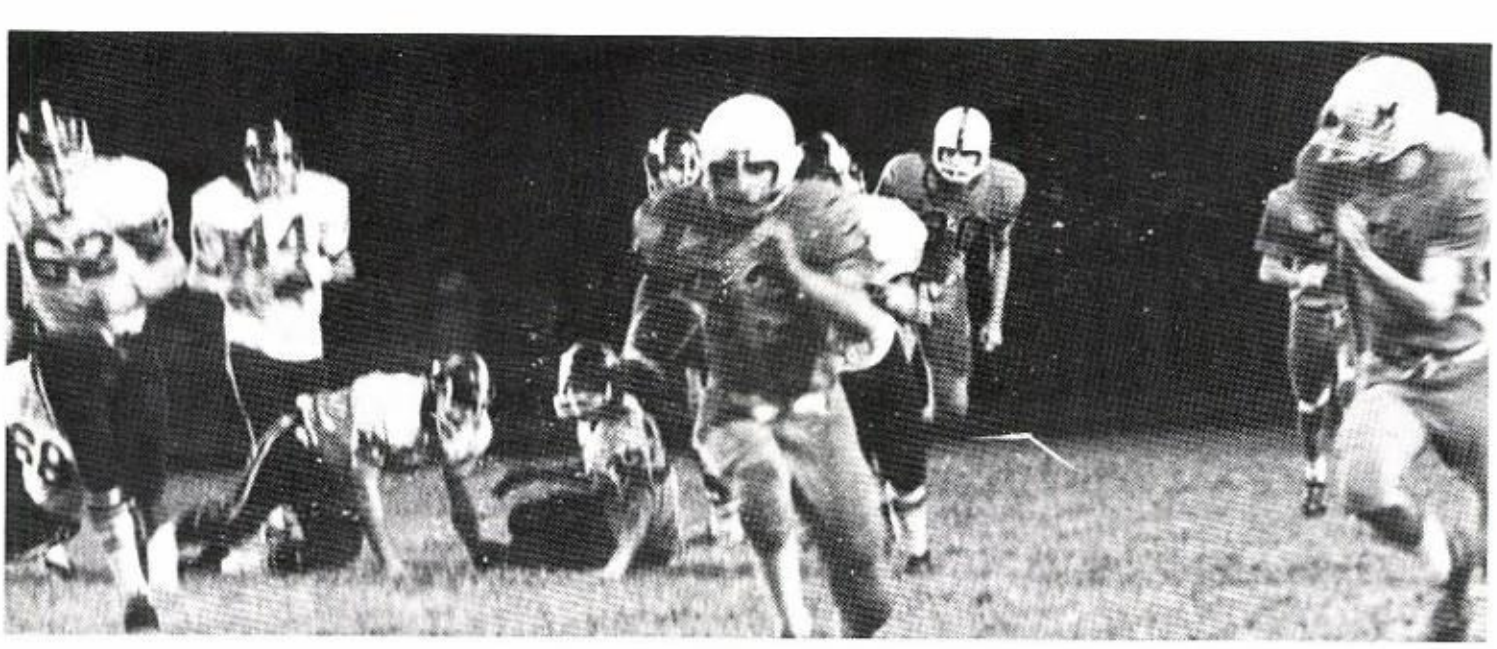


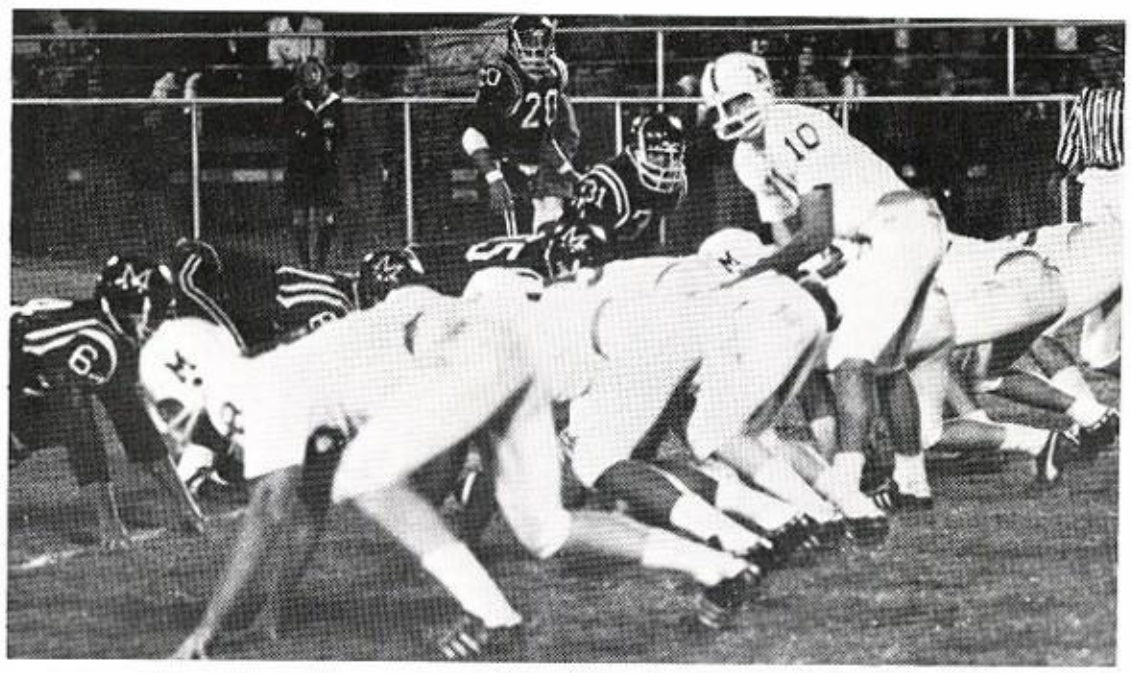
Marlin vs Carver

The Marlin Bulldogs registered two second-half T.D.s to lead them to a 15-7 victory over the Carver Panthers. Trailing at halftime, the Bulldogs roared back with Tommy Konz hitting Larry Kalmbach with a 20-yd. scoring pass. A pass from Konz to King added the PAT. Later, Dennis Phipps recovered a fumble at the Panther 2 yd. line. Konz took it over from there and pushed the PAT to finish the scoring. Steve Fillip, Steve Durbin and Raymond Blocker were the "stickers" on defense.

Marlin vs Hillsboro

The Canines plucked the Hillsboro Eagles 30-6 on Homecoming here at Legion Field. Doyle Ethridge scored three touchdowns for Marlin and Jerry Drews ran back an intercepted pass for a touchdown. Konz and Horton scored extra points for the Dogs. Lawrence Diles, Raymond Blocker and Clint Rogers played good games for the Dogs.





Marlin vs Mexia

The Marlin Bulldogs fought valiantly in their last appearance of the 1969 football season but lost 13 to 0 to the Mexia Black Cats. The Dogs drove deep into Mexia two times but couldn't reach paydirt. All the Dogs gave good effort in their last appearance.

TENNIS

Ace! Deuce! Your Add! Good shot! These are just a few of the many sounds heard from late February til mid-April as the Marlin High tennis team works on back-hands, fore-hands, service, and net play.

Tennis is an individual sport, and as such, is an aid in maturing. It teaches you to accept the blame for poor shots, to accept limitations of ability, and to overcome these limitations by constant effort. These qualities will aid you in the 70's.

ORGANIZATIONS

The president calls the meeting to order. The secretary checks roll and reads the minutes of the previous meeting. The treasurer gives his report. The parliamentarian keeps order. And so it goes. Students learn the basics of government, while taking places of responsibility and learning to work together.

Organizations are an intricate part of school life. They are as much a part of education as school books. By allowing the students to work together in various club activities, the school is helping them to prepare themselves for their decade. Today's leaders in school are tomorrow's leaders in the world.

The ultimate purpose of the Future Farmers of America organization is the development of the individual member. All the various FFA activities, whether on the national, state or local level, provide valuable lessons in leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, organized recreation, citizenship and patriotism. One of the benefits of this firm FFA foundation is that large numbers of farm youth and urban youth have gone forth to earn their important place in American Agriculture. The FFA was awarded the National Silver Emblem for its outstanding accomplishments during the 1968-69 school year.

The Marlin High School Cheerleaders have a very active role in the life of M.H.S. All year around they are busy promoting school spirit by making signs, selling streamers, and leading pep rallies.

All five cheerleaders are willing and dedicated in their work, thus, setting good examples in spirit for our upcoming decade.

BROADCASTERS AND DEVOTIONALISTS

DEVOTIONALISTS
Phyllis Castens, Joyce Reed, Christina Colunga, Terry Blaylock, Linda Walker

"Good morning, this is your morning broadcaster with all the news around M.H.S., but first here's our morning devotion." So began every day at Marlin High School.

Our morning broadcast was an informative and interesting part of our day and these people came through even on days when there was no news to brighten up our morning.

Broadcaster Ralph Reed

ACTIVITIES

An activity—whether it's an assembly, a banquet, or a parade—broadens a person's perspective and is a vital part of any education. As a student participates in school activities, he demonstrates his school spirit and can help to make the activity a success. All school activities depend on the willingness of students to cooperate and only by that cooperation will the student receive any benefit from the activity. If a student is willing to work at getting something out of every activity, he can help prepare himself for his future.

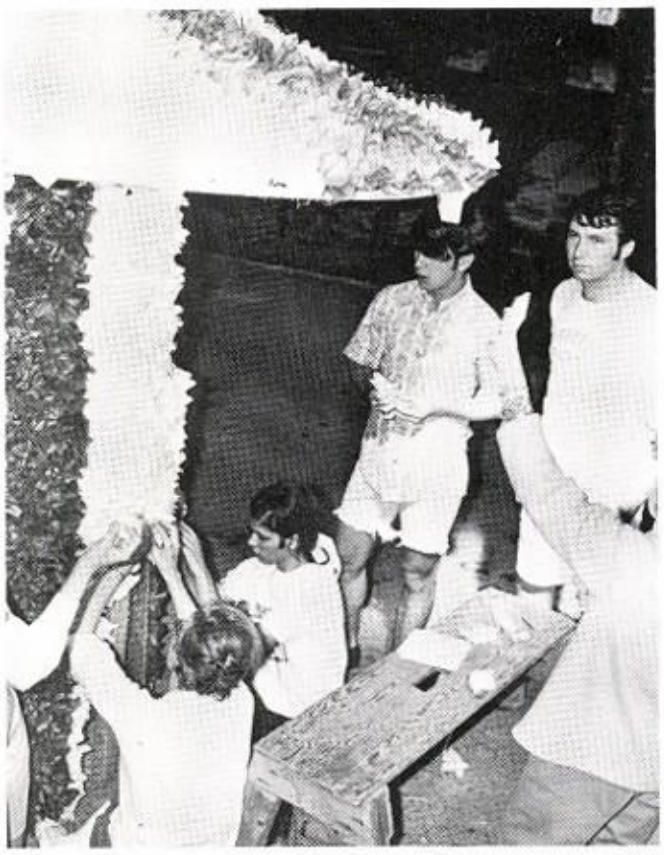
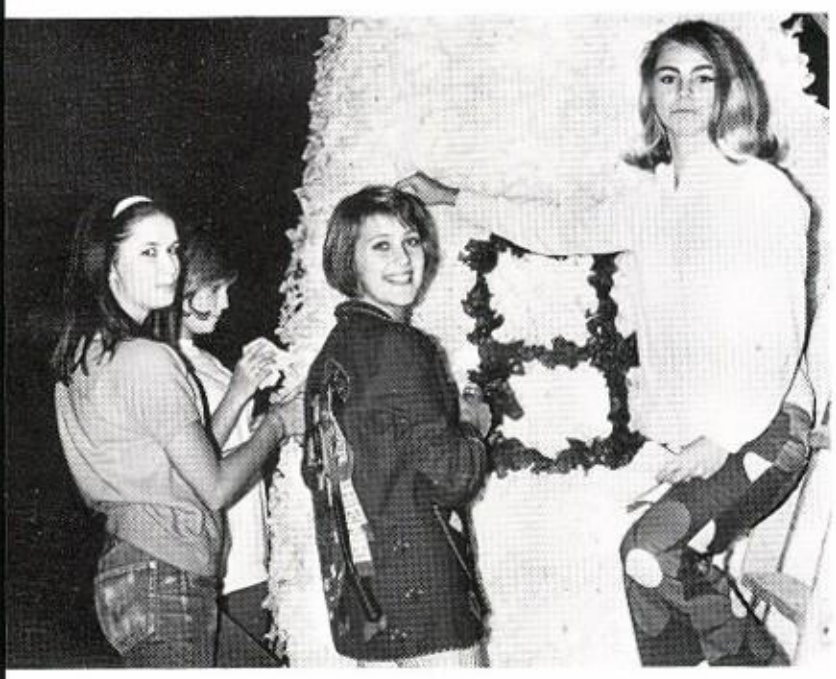
WINDMILLS!
CAROUSELS!
PRETTY GIRLS!



Srs. really worked hard!

Homecoming was a big success! Exes, back at their alma mater, could be seen talking to old friends or looking at locker decorations in the halls of M.H.S.

At pre-game activities the four class princesses were presented with their escorts. Cynthia Alfano, the Junior princess was crowned queen by Thomas Bartlett, President of the Ex-Students. Beth Rogers was presented as Football Sweetheart.



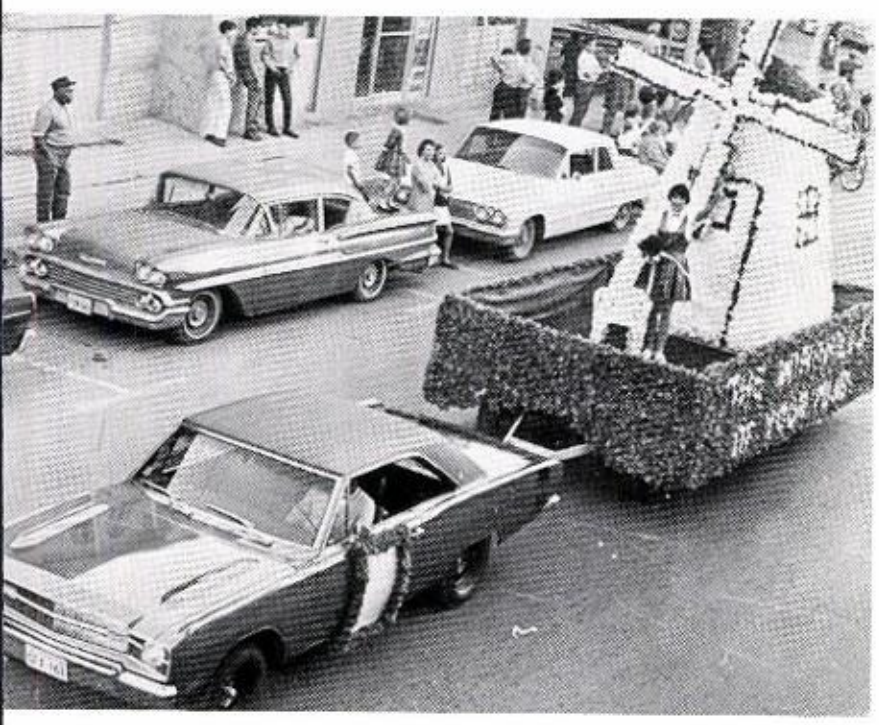
Jr. creating their prize-winning float!

Concentration seems to be the Sophs. attitude!

JCL has teamwork!

Christine Colunga rides on the Bulldog car.

The Teen-Gardeners have green thumbs and cars!!

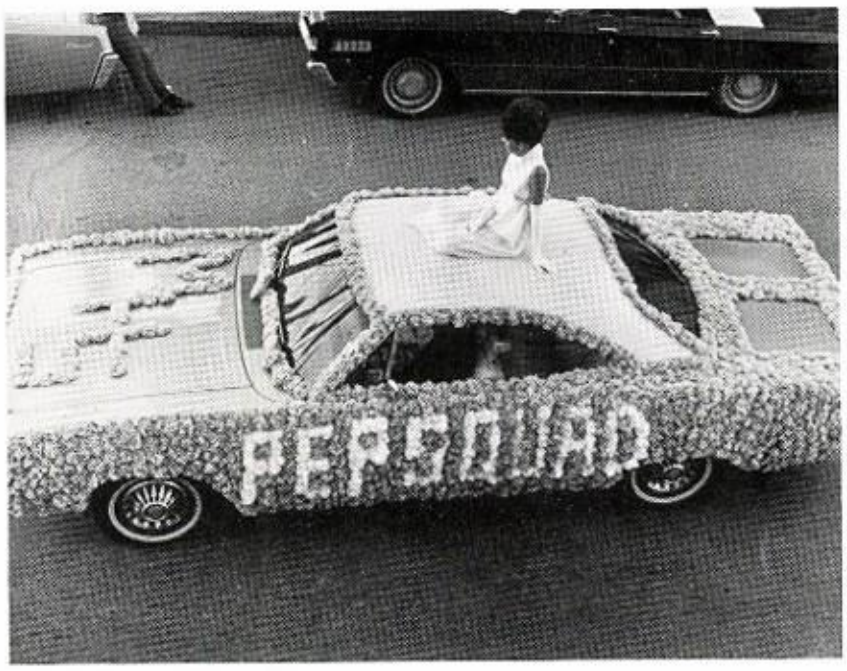


Cynthia and her prize winning windmill!

The FHA reaches for the stars!

Will the FFA make it?

Lee Smith represents the hard working Viesca staff!!!



The Pep Squad's first place car ridden by Cindy Martin.

The Spirit of M.H.S.!

Susan and her Carousel!!

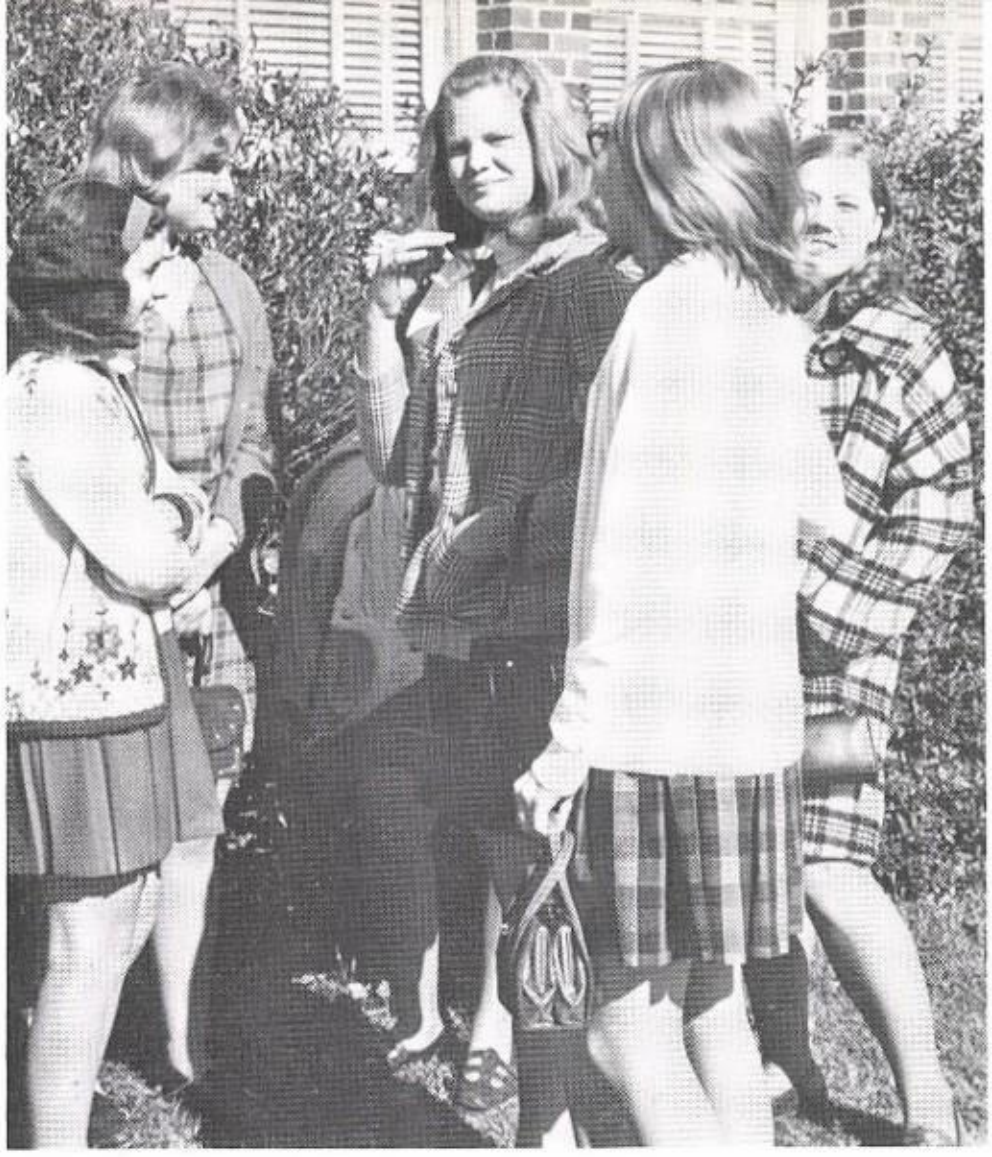
Debbie makes a pretty picture on her car.

A lovely Freshman princess and car.

Jane King represents the Student Council.

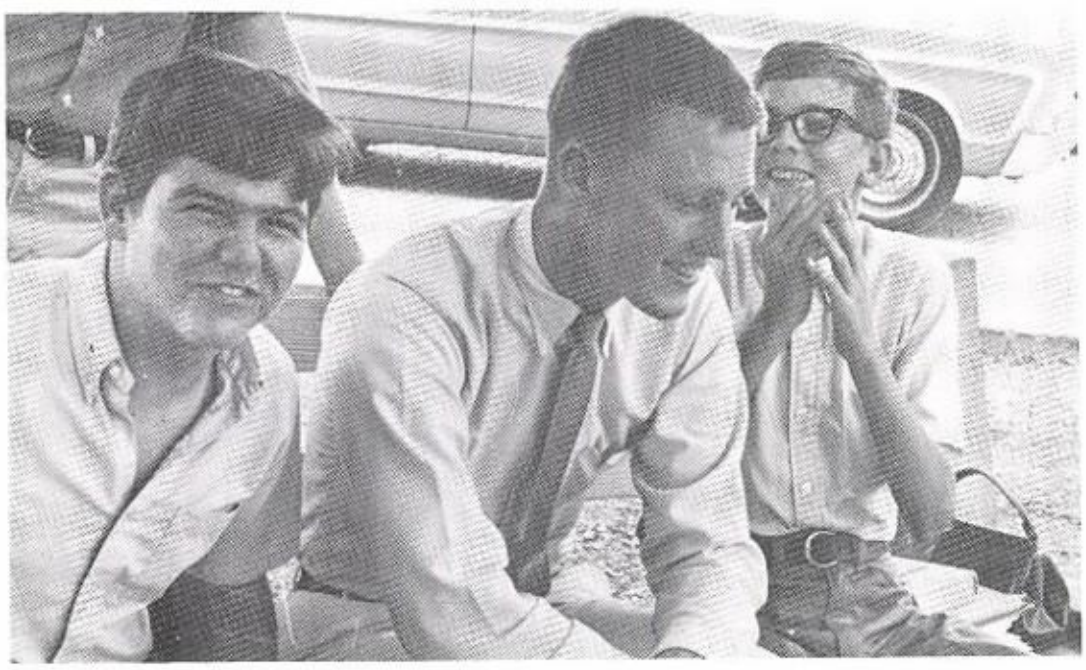
The four class Princesses: Susan Jund escorted by Larry Truett, Senior; Cynthia Alfano escorted by Dennis Long, Junior; Debbie Howerton escorted by Bob Kurtz, Sophomore; Rhonda Harden escorted by Harry Geib, Freshman. Left: I just can't believe it's true! seems to be Cynthia's reaction to being crowned Queen. Below: The Football Sweetheart of 1970, Beth Rogers!!

NOONTIME IS . . .



. . . catching up on the latest gossip.

. . . talking about and laughing over the events of the morning.



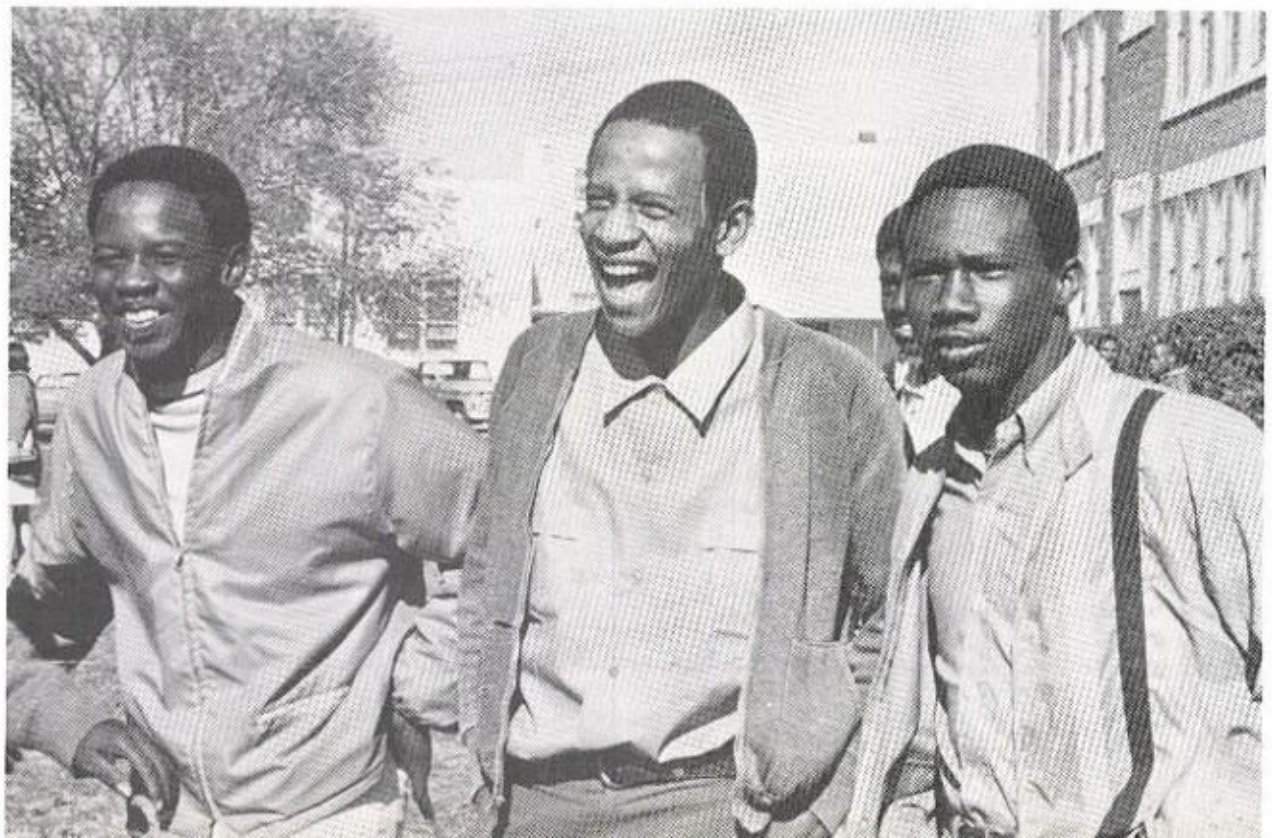
. . . bringing a flower to a girl, but losing it somewhere on the way back from dinner.

. . . trying to figure out how the other guy gets all the attention from the girls.

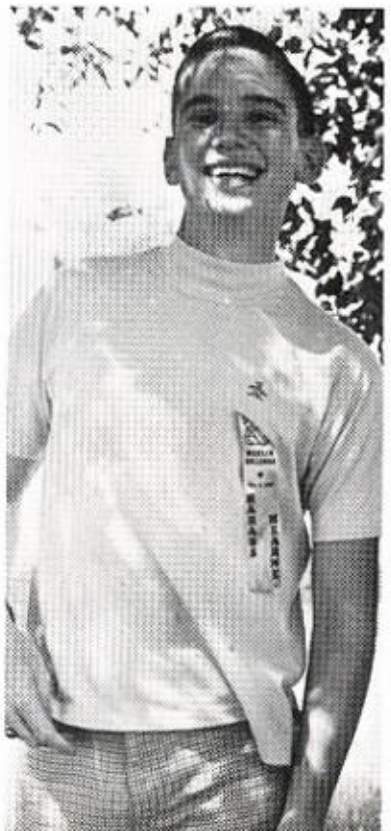
. . . getting in a little horseplay.

. . . lining up to have your picture taken for the VIESCA.

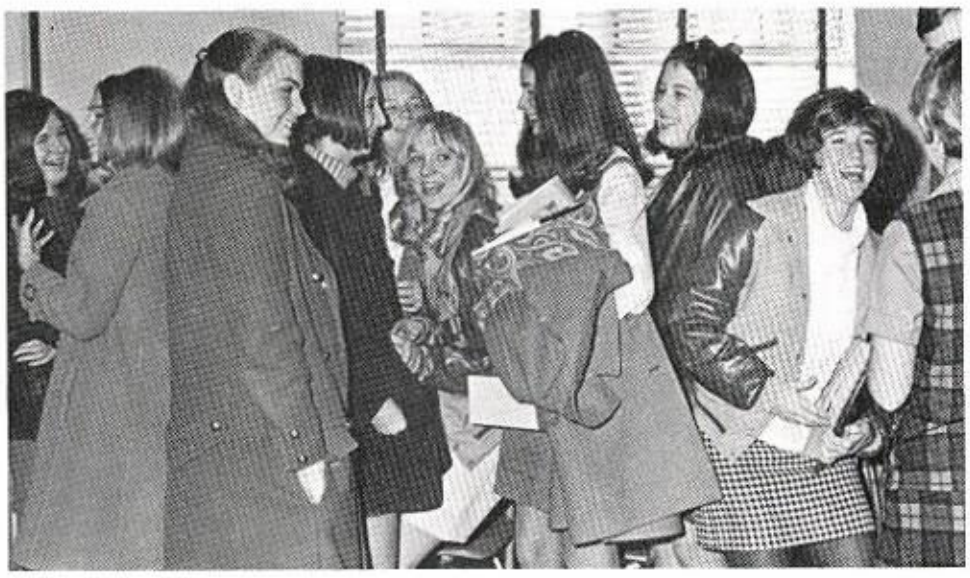
. . . laughing out loud, and . . .



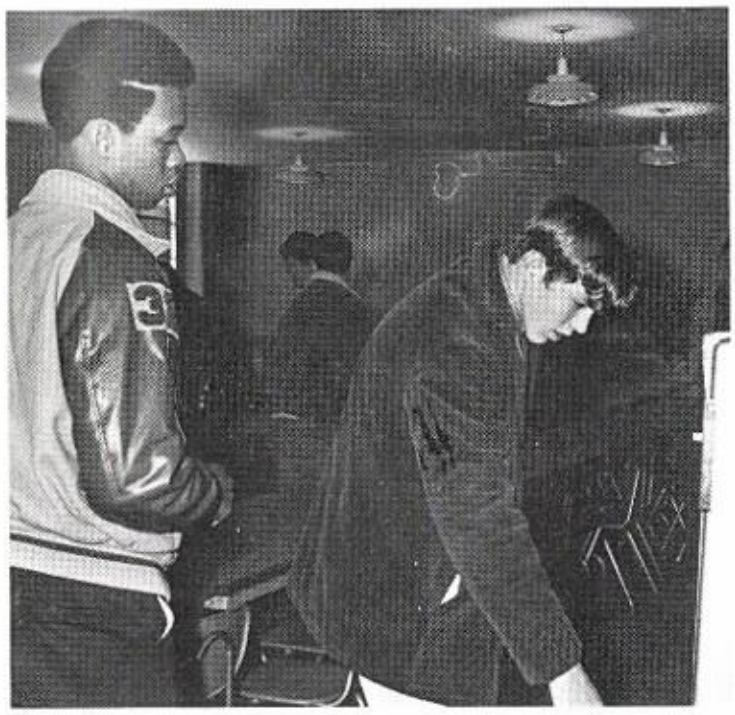
. . . smiling.

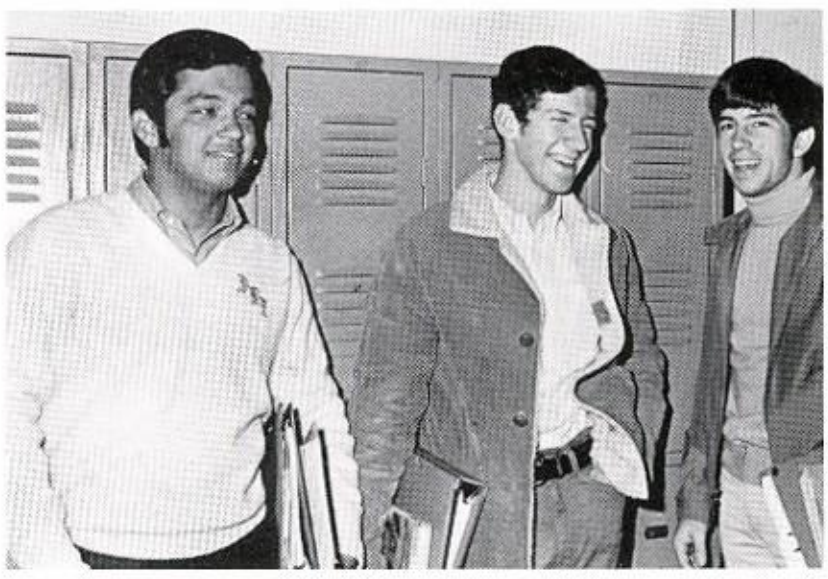


MID-MORNING BREAK



Between second and third periods, M.H.S. students enjoy a period for refreshment called the mid-morning break. The M.H.S. Student Council sells donuts. Students enjoy milk, candy, and cold drinks in the cafeteria.





FAVORITES

A rose—symbol of beauty and purity. This flower for many has become the symbol of the beautiful people, the people who are not only beautiful physically, but who have an inner beauty as well.

These few pages represent the beautiful people of Marlin High School. Whether their beauty is of the rose variety or some other inner magnetic quality, they have gained the attention of their classmates.

CLASSES

An empty desk—an empty classroom. Yet, as you think back over your high school years it won't be the empty rooms you remember. It will, instead, be the classrooms filled with laughing, joking, and sometimes serious people.

It is these people—close friends, teachers, acquaintances, and even strangers—that are helping to shape your personality traits, habits, and outlook on life. In the coming decade you will not be able to forget these people, because these people helped make up your life. They were helping to prepare you for your future because your future depends on people just like these.

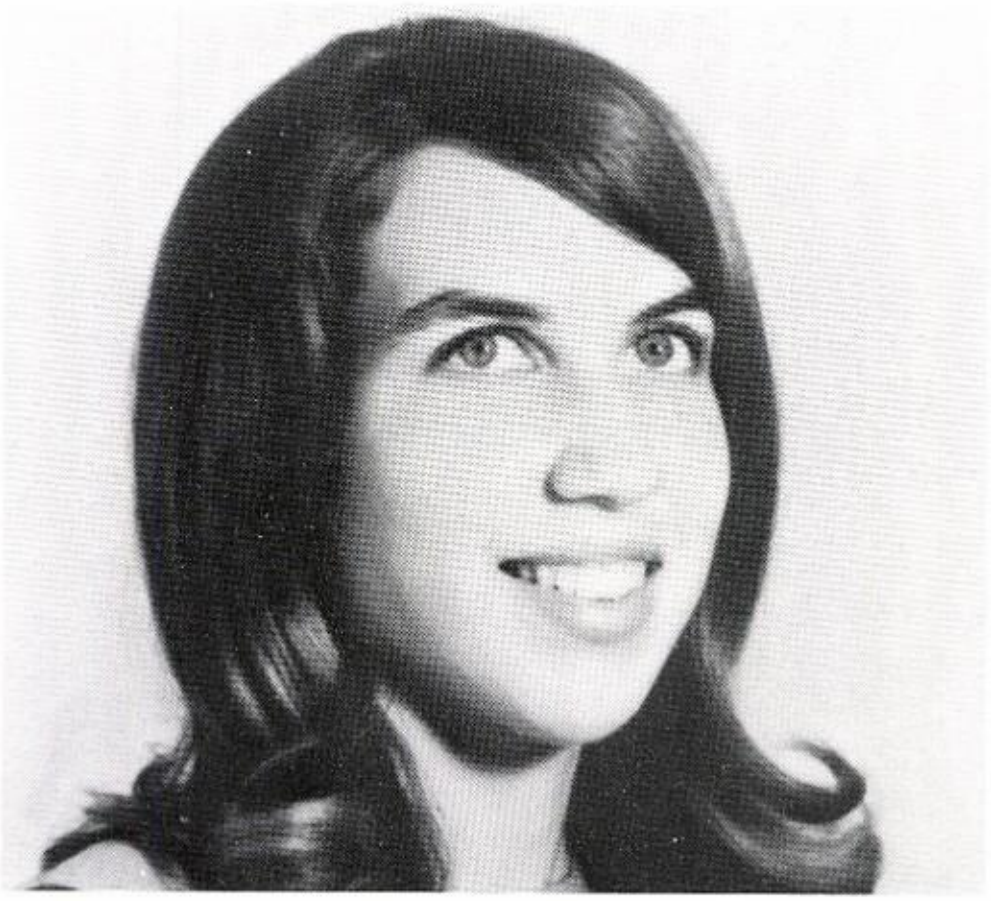
IN MEMORIAM



Gay Lanette Albright
September 9, 1952
June 18, 1969

Lord, grant that I may not so much seek to be consoled as to console; to be understood, as to understand; to be loved, as to love; for it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.

BARGING INTO THE 70's

May the 70's Bring You Success and Happiness.

THE STAFF

ADS

To all the merchants and businessmen of Marlin we extend a hearty THANK-YOU for your support. This annual would not have been possible without your contributions. We of the Viesca staff would like to wish you bigger business and more profits during this decade of the 70's.
